

ABOUT OUR CLUB

With our long history of promoting soccer in Northeast Ohio, we are developing the next generation of Cleveland premier soccer players, to take state, regional, and national soccer programs to the highest level of competition.

Croatia Cleveland Juniors premier soccer program is based on fundamental European soccer concepts and principles. We have an elite coaching staff and a sound foundation in skill development. We set a standard which players must be able to attain, i.e. a measure of competency to continue to participate on a competitive team. Our development model follows a proven pathway, with players garnering recognition and awards at the high school level before graduating from our academy program.

We continue a high standard of developmental training for all coaches and players to maintain the strength and depth of all our age groups within the club.

Our players hail from Mentor, Willoughby, Madison, Mayfield, Kirtland, Lyndhurst, Highland Heights, Perry, Painesville, Wickliffe, Willowick, Eastlake, Chardon and West Geauga as well as from other programs throughout Lake, Geauga and Cuyahoga County.

Croatia Cleveland

THANK YOU FOR YOUR INTEREST IN OUR CLUB!

The Croatia Cleveland Juniors Soccer Club, its Directors and families, would like to thank you for your interest in trying out for one of our teams.

Croatia Cleveland has been a model for player development in Northeast Ohio. Our club is recognized as one of the top programs in all of Cleveland and is among the best in Ohio. As our players progress through our program, our goal is to provide them with a safe environment to learn, grow, and thrive. It is our mission to afford local, regional, and national exposure and recognition for our elite teams and players.

Croatia Cleveland Juniors provides a structured program in which talented teams will compete in premier leagues in Ohio and the midwest, as well as in regional and national tournaments and showcase events. Our coaches and directors work to assist our high school aged players and teams in gaining critical exposure to college coaches and scouts in order to provide players with post-secondary soccer opportunities.

We would like to take this opportunity to thank you again for your interest in our program. For more information about the Croatia Cleveland Juniors Soccer Club program or a specific team, please contact:
